November 6, 2020

Dear MCS Families:

Starting Monday, November 16, students in **grades K-8 and grade 12** will attend school 4 days a week (Monday, Tuesday, Thursday, Friday). Wednesday will be the same as they have been during the first quarter. All of these grade levels have classrooms that are set up to maintain six feet of social distance.

Students in **prekindergarten and grades 9-11** will continue attending school on their assigned cohort days (Monday and Tuesday or Thursday and Friday). However, students in grades 9-11 will need to be following their schedule on their two at-home learning days and logging on for class Google Meets. Wednesday will be the same as they have been during the first quarter.

We are working on a plan to bring students in grades 9-11 back for in-person instruction 4 days a week. For prekindergarten, the current 2 day schedule is likely to continue.

This transition is only possible due to the fact that MCS families are supporting us and being diligent in regard to all the safety protocols both in school and while you are out in the community. As we continue to move through cold and flu season, it is essential that we all follow the mandates to keep everyone safe and to keep our doors open.

If you have any questions regarding this transition, please call the school or email us at reopening@morricsd.org. Thank you.

Sincerely,

Katharine Smith
