

STAR Savings

All Morris Central School residents who own their homes, who reside in the school district and are residents of NYS are eligible for STAR Savings. If you receive the basic STAR Savings, you do not need to reapply. If you received the STAR Enhanced Savings (for senior citizens) last year, you will need to complete a renewal application.

This savings needs to be applied for on a yearly basis. If you did not receive a renewal form, if you want to apply for this savings for the first time, or if you have any questions, please call your local assessor. You must file your application with your local assessor **(not the school tax collector)** prior to March 1, 2018.

Applications for the basic STAR Savings and the STAR Enhanced Savings can be found at the following sites:
